MODULE 2: General Training Reading Diagnostic (10 Questions)

Passage 1:

Section 1: City Central Library & Digital Hub Regulations
Membership to the Central Library is free of charge to all regional residents upon presenting valid proof of municipal address and photo identification. Non-residents may obtain an annual visitor pass for a nominal fee of $25.
Members are entitled to borrow up to ten physical volumes simultaneously for a standard loan period of three weeks. Audiobooks and digital multimedia items may be retained for fourteen days. Standard book loans may be renewed up to two consecutive times, provided no outstanding hold request has been lodged by another borrower.
The facility provides complimentary high-speed wireless connectivity throughout all indoor reading rooms and group study carrels; however, coverage does not extend to the outdoor garden terraces. Portable computer tablets are available for hire at the ground-floor helpdesk for use strictly on the premises and must be returned 30 minutes prior to closing time (8:00 PM on weekdays). Printing credits can be added online via the member portal or at the automated kiosk adjacent to the reception.

Passage 2:

Section 2: Workplace Flexible Working & Core Hours Directive
Apex Global Logistics supports a hybrid working model to facilitate work-life equilibrium. Under this scheme, eligible full-time staff may request up to two remote working days per working week, subject to departmental head authorization.
All employees, regardless of location, must remain accessible and logged into corporate communication channels during designated 'core collaboration hours', which run from 10:00 AM to 3:00 PM daily. Outside these core hours, staff have the discretion to structure their remaining daily hours between 7:00 AM and 7:00 PM.
Prior to participating in external client conference calls from home, employees must ensure a professional, distraction-free environment and use noise-cancelling audio headsets. To maintain team alignment, fortnightly virtual check-ins are mandatory for all remote teams. Flexible work arrangements are evaluated on a quarterly basis and may be revoked if performance metrics decline.

Q6 Staff are required to be available online between 10:00 AM and [_____].

Q7 Employees may choose to work remotely for three days every week without approval. (TRUE / FALSE / NOT GIVEN)

Q8 Flexible arrangements can be cancelled if an employee's output drops. (TRUE / FALSE / NOT GIVEN)

Q9 Overtime worked during flexible hours is compensated at double pay. (TRUE / FALSE / NOT GIVEN)

Q10 Before client meetings, remote employees are required to equip themselves with [_____] headsets.

MODULE 3: WRITING PRACTICE

Diagnostic Writing Tasks (Choose one or attempt both):
Task 1 (General Training Letter — 150+ Words):
You recently attended a two-day professional project management conference. However, several scheduled seminars were cancelled, the audio-visual equipment failed repeatedly, and the catering was unacceptable.
Write a formal letter to the Conference Organizer. In your letter:
• Explain why you enrolled in the conference.
• Describe the specific shortcomings you experienced.
• State what compensation or action you expect from the organizers.

Task 2 (Essay — 250+ Words):
Some people believe that working from home brings significant benefits to both employees and employers, while others argue that operating from a traditional workplace is far more advantageous. Discuss both views and give your own opinion.

MODULE 4: SPEAKING PRACTICE

Diagnostic Speaking Interview:
• **Part 1:** 1. What is your current profession or field of study? 2. Why did you choose this career? 3. Do you plan to continue in this line of work in Canada? 4. What do you like most about your hometown?
• **Part 2 (Cue Card):** Describe a complex problem you had to solve at work or in your daily life. You should say: what the problem was, how you analyzed it, what action you took, and explain how you felt once it was resolved.
• **Part 3:** 1. Do you think machines and artificial intelligence will replace human decision-making in the workplace? 2. How can employers effectively reduce stress among their workforce?
